Positions

Department of Mathematics, University of Illinois Urbana-Champaign, Associate Professor — Urbana, IL, USA, Aug 2026 – present
- Member of the Illinois Quantum Information Science and Technology Center (IQUIST)

Department of Mathematics, University of Illinois Urbana-Champaign, Assistant Professor — Urbana, IL, USA, Jan 2021 – Aug 2026

Institute for Quantum Computing, University of Waterloo, Postdoctoral Fellow — Waterloo, ON, Canada, Dec 2019 – Dec 2020
- Joint appointment with Perimeter Institute for Theoretical Physics

JILA, University of Colorado Boulder, Postdoctoral Research Associate — Boulder, CO, USA, Nov 2016 – Nov 2019

Education

PhD **University of Cambridge (DPMMS)**, Mathematics — Cambridge, UK, Oct 2013 – Oct 2016
- Thesis: Relative entropies and their use in quantum information theory

Diplom **University of Vienna**, Physics — Vienna, Austria, Oct 2006 – Apr 2013
- Roughly equivalent to BSc + MSc. Thesis

Diplom **University of Vienna**, Mathematics — Vienna, Austria, Oct 2006 – Feb 2012
- Roughly equivalent to BSc + MSc. Thesis

Grants

NSF CAREER Award
Symmetries in noisy multipartite quantum systems

Teaching

Math 257 Linear Algebra with Computational Applications — UIUC, Spring 2024, 2025, 2026

Math 595 Representation-theoretic methods in quantum information theory — UIUC, Fall 2022, Fall 2025

Math 595 Quantum channels — UIUC, Spring 2023

Math 416 Abstract Linear Algebra — UIUC, Fall 2021

Math 595 Quantum channels I: Representations and properties — UIUC, Spring 2021

Math 595 Quantum channels II: Data-processing, recovery channels, and quantum Markov chains — UIUC, Spring 2021

Editorial Service

Quantum
Member of the editorial board (quantum information theory, quantum Shannon theory, mathematical methods)

Illinois Journal of Mathematics
Member of the editorial board

Conference Organization

Additivity Problems in Quantum and Classical Information Theory (26w5621)
With Nilanjana Datta, Debbie Leung, and Graeme Smith
Banff International Research Station, Canada
Jul 2026

Bridging Quantum Information and Mathematical Physics
With Angela Capel, Nilanjana Datta, and Mark M. Wilde
University of Cambridge, UK
Aug 2024

Beyond IID in Information Theory 12
With Roy Araiza, Eric Chitambar, Marius Junge, and Amanda Young
University of Illinois Urbana-Champaign
Jul–Aug 2024

QLA Meets QIT II
With Roy Araiza, Marius Junge, and Thomas Sinclair
Illini Center, Chicago, IL
Nov 2022

TQC 2022
With Eric Chitambar, Emily Edwards, Kelly C. Foster, and Kim Gudeman
University of Illinois Urbana-Champaign
Jul 2022

QIP 2019
With Graeme Smith
University of Colorado Boulder
Jan 2019

Rocky Mountain Summit on Quantum Information
With Mark M. Wilde and Graeme Smith
JILA, University of Colorado Boulder
Jun 2018
